Term 1 Week 4

Friday, 21 February 2020

### Principal's Report

On Monday, the changes to our Mini Merit system were outlined to all students within our school. All students are aware of the expectations for reaching Bronze, Silver, Gold and Diamond levels in 2020. Please feel free to discuss this with your child. The system is explained in the note that was sent home last week.

Furthermore, as part of our Positive Behaviour for Learning system at Yenda, posters have now been displayed around the school. These posters outline playground rules and expectations for each area which follow the three values of "Respectful, Responsible, Resilient". On a later page in this newsletter is a chart outlining our playground expectations for each area. If you would like to discuss the PBL system, please contact me at school.

It is great to see the wonderful learning continuing in all classrooms across the school.

Well done to all students who received awards at the first school assembly today.

Gary Workman  
Principal
